

# LOKESH KUMAR

## Frontend Developer

+91 7654463578

lokeshbhaskar28@gmail.com

I am a passionate **Frontend Developer** with a strong foundation in creating responsive and user-friendly web applications. My expertise lies in **HTML**, **CSS**, **JavaScript**, and **React.js**, enabling me to build interactive and dynamic user interfaces. In addition to my frontend skills, I am also proficient in **backend technologies** such as **Node.js**, **Express**, and **MongoDB**, allowing me to design and implement efficient server-side solutions and manage databases effectively.

## EDUCATION

### B-Tech in Computer Science and Engineering ( 2021 - 2025 )

JMS Institute of Technology Ghaziabad , Uttar Pradesh

## SKILLS

### Programming languages

JavaScript    Java

---

### Web development

React.js    TailwindCSS    CSS

---

Socket.io    MongoDB    Express

---

### Other

Git    GitHub

---

## EXPERIENCE

### Web Development

- **Developed Responsive Websites:** Built and maintained responsive websites using HTML, CSS, and React .

## PROJECTS

### Resume Analyzer

(<https://resume-analyzer-chi.vercel.app/>)

The Resume Analyzer is a web-based application designed to analyze resumes against job requirements, providing valuable feedback and an Applicant Tracking System (ATS) score. It helps users optimize their resumes for better job matching and increased chances of selection.

- **Resume Upload and Parsing:**
  - Users can upload resumes in PDF format.
  - Extracts key information like skills, experience, education, and project details using text extraction libraries.
- **ATS Scoring:** Calculates an ATS score based on job descriptions or keywords provided by the user.
- **Technology Used:** React.js , Node.js, TailwindCSS

### Apple Website

<https://apple-website-taupe-pi.vercel.app/>

- I created an immersive **Apple 3D Website** using **React.js**, **GSAP (GreenSock Animation Platform)**, **Three.js** and **Tailwind CSS**. This project features stunning 3D animations and smooth transitions that enhance user engagement.
- **3D Animations and Interactions:** ☐ Seamless 3D product visualization for an engaging users.
